

## Parent Instructions

Please bring your child/children to the field 30 minutes before their game begins on Picture Day. Please click on the link on the main page to see the Picture Day schedule for each team.

Latecomers may miss the team photo!!!!!!

Please try to fill out the order form in advance (it is a lot easier to do on your kitchen table than it is at the field). Payment is due on Picture Day. Photos will not be processed without payment. Orders placed after the final day of pictures will be assessed an additional \$6 shipping charge. We accept cash, checks, Mastercard, Visa and Discover.

If your child misses his/her photo day, I will be happy to take his/her individual photo on one of the other days I am at Seveney (see schedule). Just find me at the field.

I will also happily take buddy shots -- pictures with siblings, friends, coaches. These make great gifts, and Christmas cards, too! Imagine having that taken care of in August...

If you order trading cards, please fill out the center portion of the envelope with the stats for the backs of the cards (height, weight, etc.).

If you have ANY questions, please e-mail or call me at your convenience. Thanks!

*PLEASE NOTE: Please bring your child to the field early on Picture Day, even if he/she is not getting an individual photo. We want ALL of the children to be in the team photo!*
