

100% Satisfaction Guarantee

- TSS offers a 100% satisfaction guarantee. We either retake the picture of your child or refund your money if you are not satisfied with your picture. We make every effort to take great pictures, however our photographers on site are not responsible for poor facial expressions, pose, hair, or clothing - we have very limited possibilities to influence those.
- You must contact our office within 45 days of your picture day and return all products for a full refund.
