- Prices are good on picture day only.
- Your organization agreed to ship your orders right to your house. Please provide your shipping address. A \$3.50 Shipping & Handling fee applies.
- Your purchase authorizes any dishonored check to be collected electronically along with applicable fees (min. \$30).
- Any late payment (NSF) will result in a delay and a surcharge.
- Your children's pictures are available for online orders for 180 days after picture day. After that period please contact your photographer for ordering. After picture day orders may be subject to \$5 handling fee.
- All digital files and copyrights of the pictures remain with TSS Photography of Chester County and may be used for advertising.
- If no size is indicated for apparel, adult large will be ordered.
- Please! It is our goal as a company to ensure that we get the BEST possible picture of every child. In order for us to do this it is very important that we have the undivided attention of every child. It is very confusing for them to see multiple people with cameras. It also makes individual pictures take longer and team pictures have the children looking in multiple directions. Again, it is best if personal cameras are used outside our photography area. It ensures that we get the best picture of EVERY child and helps us to stay on schedule through out the entire day. We respect everyone's personal schedules and want to maintain our promise to stay on time.!
